EDITORS' CORNER

I apologize to all our subscribers and exchange papers for the size of this issue, but this is the time that I have decided to follow the admonitions of the "higher-ups" and print only what I have received from the club members. I have ignored their admonitions for three years, and now I wish them to see just how much information is received and passed on without my reprinting from other publications.

It's just like paying 10¢ for a newspaper that prints no Nationwide or Worldwide news.

Not only have I decided to print only what was received from the members, but also only that received no later than the 20th. You will note that I have triple underlined the deadline date. To day is the 21st.

I ask you to bear with me and accept my apology.

Mother Rat.

OUR PREZ SEZ

The June meeting saw a new slate of Officers elected. My most sincere thanks to W3HAB, outgoing secretary, and outgoing directors, W3HFY, K3HWZ, W3FSD and W3HKZ, who filled out his term, for a job well done. Congratulations to the new Officers and Directors, K3OBY, secretary and K3HSS and W3ELI, Directors. It is my expressed wish that all past presidents attend all Board of Directors meetings and assist in all club matters, with their experience and wisdom.

K3HWZ, Grandpop Bill, wins a cash award for designing our new lapel pin. I saw a mock up and believe me everyone will want one and will be proud to wear it. The nominal price of \$3.00 could only be secured by a large order. Please deposit your money with Grandpop to reserve a pin. Don't be left out in the cold until the next order goes in.

W3SAD and Mother Rat are hard at work on Picnic details. Prizes are coming in and they will be better than last year. People are needed to assist at the registration table and to handle other parts of the picnic. See Frankie if you can give some help. Donations of prizes by our own members are also in order. A clean meter or some trading stamps or new tubes etc. Give now, not after you are gone.

Our prayers are transmitted for the health of W3CFS who had a relapse and is back at the Hospital. Deepest sympathies to the family of W3UMI Willy who passed away this month of July. We are happy to report that K3ABK Sam the Tranquilizer Kid, is out of the Hospital where he had a fine time with a Towler and watching all the nurses.

Committees are being formed and I would welcome volunteers for any spot you wish, just let me know.

Cheesebits articles are welcome at all times. There is plenty of talent amongst our own members who can write something of interest so, how about it, sit down and write me something for our paper.
